Vogue Talents and Italian Factor

Valgimigli Campus  
Via Santa Chiara 4 ● Room 2

The 24th of March 2014 will take place the fourth and last phase of a workshop in Fashion Courses at University of Bologna, as the result of the collaboration of ZoneModa, Vogue Talents and Future Concept Lab.

The future of Italian fashion lies in Made in Italy. The young talents that will take part to this meeting, Flavia La Rocca and Caterina Gatta, will report how important is the rescue of tradition, without the imitation of the past times, while giving a particular attention to style's versatility and responsibility.

Moderators: Paolo Ferrarini and Elisa Pervinca Bellini.
